To whom it may concern

**Subject: Reference for Mr Panagiotis Evangeliou**

Dear Sir/Madam,

Mr Evangeliou has completed his 6 month internship in my department since 2/7/2018, as a Java Technical Consultant. In this position he participated in the full lifecycle of eshop projects, emphasizing on development and testing. He has undertaken operations support and bug fixing tasks and has worked with various technologies and frameworks e.g. ATG, Spindrift, Oracle database, JQuery, XML, Json, Weblogic Server, J2EE, JSP, HTML, ccs, Javascript.

During this time he has shown consistency, great interest and efficiency in the time frames that have been set. He is able to quickly grasp new concepts and apply them. He is highly motivated, hard working and has clear objectives. He adjusts well to new situations and is appreciated among his colleagues.

Concluding, I can strongly recommend him for any position that matches his background.

Remaining at your disposal for any further information.

Sincerely,
